			<p>be isolated and secured after for 72 hours</p> <p>Waste from people with symptoms of coronavirus (COVID-19), such as disposable cleaning cloths, tissues and PPE should be disposed of in the following fashion:</p> <ul style="list-style-type: none"> • put it in a plastic rubbish bag and tie it when full • place the plastic bag in a second bin bag and tie it • put it in a suitable and secure place marked for storage for 72 hours <ul style="list-style-type: none"> • anyone who suspects that they have any of the Covid19 symptoms should inform PPS and then self-isolate for 7 days. All household members should do the same for 14 days. Call GP if more help required. • Staff will be briefed on what is required of them via training which will take place before the start of the school year 	H&S		

What are the hazards?	Who might be harmed and <i>how</i> ?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
Contingency planning for a further outbreak	Staff and students at risk of infection transfer.	<ul style="list-style-type: none"> In the event of a local outbreak, the PHE health protection team or local authority may advise a school or number of schools to close temporarily to help control transmission. Schools will need a contingency plan for this eventuality. 	<ul style="list-style-type: none"> Contingency plan in place for localised closure Be prepared to move teaching online using Zoom 	SLT / H&S		
Social Distancing in school	Staff and students at risk of infection transfer.	<ul style="list-style-type: none"> Minimise contact between individuals and maintain social distancing wherever possible The overarching principle to apply is reducing the number of contacts between children and staff. This can be achieved through keeping groups separate (in 'bubbles') and through maintaining distance between individuals. 	<ul style="list-style-type: none"> PPS will inform parents pupils and carers about the new rules by email, on its website and by placing additional signs at the building entrances all available entrances will be used to avoid overcrowding during bringing and collecting pupils to reduce contact with others and suggest using face mask when entering or leaving school PPS's pupils will be divided into a series of bubbles so as to avoid direct transmission break times will be organised separately for each bubble to avoid cross contamination teachers and teaching assistants will stay within their bubbles during the school day 	SLT / H&S		

What are the hazards?	Who might be harmed and <i>how</i> ?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
			<ul style="list-style-type: none"> • start and finish times for the school day will be staggered by bubble • a one-way system will be implemented • arrivals outside of allotted time will be taken by a member of staff to their designated classroom • Staff will be briefed on the expectations in class settings, outdoors and in staff rooms • Site visit on 4th September 2020 to explain procedures to staff 			
Cleaning	Staff and students at risk of infection transfer.	<ul style="list-style-type: none"> • More frequent cleaning procedures are in place across the site, particularly in communal areas and at touch points including: <ul style="list-style-type: none"> ○ Taps and washing facilities, ○ Toilet flush and seats, ○ Door handles and push plates, ○ Handrails on staircases and corridors, 	<ul style="list-style-type: none"> • PPS will ensure that the following cleaning takes place during the school day: • Teachers will be responsible for maintaining acceptable standards of hygiene in their own classrooms using the equipment provided by SJF • Assistants will be responsible for taking pupils to the toilet during lesson time • Assistants will supervise the usage of toilets during break times 	SLT / H&S Teachers TAs Teachers and TAs		

What are the hazards?	Who might be harmed and <i>how</i> ?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
			<ul style="list-style-type: none">Staff will disinfect all school equipment required before and after use			
Fire Safety	Staff and students at risk of infection transfer.	<ul style="list-style-type: none">Ensure all emergency escape routes / doors are fully operational and kept clear.Reminders to staff and pupils that if the fire alarm is activated that they must still keep 2m distancing when at the evacuation point.	<ul style="list-style-type: none">Review fire evacuation arrangements so that the assembly point complies with social distancing requirementsCarry out fire drill during the first term to familiarise staff and students with arrangements	H&S H&S		
Access/Egress of school building	Staff and students at risk of infection transfer.	<ul style="list-style-type: none">One-way traffic through external doors to avoid face to face passing to be clearly marked, consider use of markings.Where possible, these can be propped open to reduce the need for touch (fire protection measures must be adhered to).Wipes and sanitiser available at both sides of doors.Increased cleaning of handles and touch plates.Allocated drop off and collection times	<ul style="list-style-type: none">Arriving at/leaving school will be staggered to reduce congestion.Doors will be propped openGuidance will be issued to students about arrival and departurePriority must be given to disabled users and those identified as having health related issues.Parents will not be allowed on school premises unless by appointmentRelevant guidance will be provided to parents and carers on drop off and pick up arrangements.	SLT / H&S		

What are the hazards?	Who might be harmed and <i>how</i> ?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
